APPLICANT SIGNATURE AND FEES ON REVERSE

Lead Certification: If you are working on a structure built prior to 1978, at least one option below must apply:

- I have current lead certification – enter below. If you DO NOT have lead certification, please continue.
- The applicant is the homeowner performing their own work.
- The structure is not residential housing.
- The renovation will not disrupt 6 sq. ft. or more of painted surface per room for interior activities, or 20 sq. ft. or more of painted surface for exterior activities, and does not involve windows.
- A written determination has been made by a lead certified person and that the components affected by the renovation are free of paint other surface coatings that contain lead equal to or in excess of the federal standard.
- Other (specify reason and applicable code section):

Lead Cert #:

Expiration Date:

A building permit applicant shall be deemed the contractor and shall possess a State Contractor License or a City license as required by State Statute and/or City Ordinance. However, if the applicant owns a single family home upon which the work is being done, the applicant may obtain a permit for construction. Any participant other than the homeowner/ applicant shall be listed on the permit application below and the participant shall possess a valid license required before a permit may be issued. The permit shall not be issued until all contractors listed on the permit application have a valid license as required by State Statute and/or the City.

This permit shall be null and void if authorized work is not started within 180 days or if work is suspended or abandoned for 180 days or more after work is started. The undersigned hereby represents upon all of the penalties of the law, for the purpose of including the City of White Bear Lake to take the action herein request, that all statements are true, and that all work herein will be done in accordance with the ordinances of the City of White Bear Lake and the State of Minnesota.
